Questions for deeper self-reflection:

- 1) Imagine that you are already working in the chosen profession. Describe what your work day looks like.
- 2) What duties would you most like to perform in this profession?
- 3) What contribution could you make to the surrounding environment and/or society while working in this profession?
- 4) What personality traits would you successfully use as your interdisciplinary skills or "soft skills" in this profession?

notes & reflections

A grid of 20 columns and 30 rows of small grey dots, intended for writing notes and reflections. The dots are arranged in a regular pattern, with approximately 18 dots per row and 20 dots per column.
